

INTERNATIONAL CHAMBER MUSIC FESTIVAL

Donor Support Drives What We Do!

For decades, your generous donations have helped La Musica fulfill its mission to bring superb international musicians together in performances of precision and intensity that promote a deeper understanding of chamber music. Please help La Musica continue to provide:

- 700 free La Musica concert vouchers for students in Sarasota and Manatee high schools and local youth music programs
- Free passes for all students to attend open rehearsals, to give them the opportunity to discover the collaborative processes essential to create great art, and to meet world-renowned musicians and teachers
- Outreach materials and special offers to fellow arts organizations, assisted living homes, church music programs and local clubs
- Ongoing programs to provide special complimentary seating for senior citizens from The Pines
- Outreach to bring La Musica into schools through the EdExploreSRQ with a recorded concert, accompanied by relevant educational materials designed to enhance the understanding and enjoyment of music
- An annual live chamber music concert and discussion designed for and presented to local school kids
- Use of the 30th Anniversary La Musica DVD for free public television viewing to promote our cultural area

La Musica is privileged to collaborate with local and national arts organizations. La Musica has joined GuitarSarasota, Sarasota Ballet, the Hermitage Artist Retreat, Sarasota Film Society, Ringling College of Art and Design and the Chamber Music Society of Lincoln Center to create extraordinary musical expressions.

La Musica is dedicated to presenting vibrant works by contemporary composers and has commissioned or premiered outstanding works by local favorites Hyman and Bilik; Europeans Turchi and Bracali; and Americans Wyner, Winn, Tower and Iyer.

With your support, we can continue to succeed. Thank YOU!
